EXPERIENCE

Personal Blog

2019 - Present

ryan-kwon.github.io | Beaverton, OR

Regularly updated personal website, mostly used as a way to work on my front-end design

Things I've learned:

-

Gift Idea Forum

2019 - 2020

github.com/JoshuaLim007/Gif---Gift-Idea-Forum | Beaverton, OR

A website with a voting filtration system that inspires ideas for special gifts

Things I've learned:

- Having consistency with design
- The need for clear communication of responsibilities

Kumon

2019 - 2021

Grader | Beaverton, OR

Grading of 600-2000 pages of worksheets weekly

Key Accomplishments:

- Explained Calculus concepts to 2+ students every week
- Weekly helped 20+ students understand K-12 literature and mathematics, leading to better score improvements

EDUCATION

Oregon State University | Bachelor of Science in Computer Science

Expected July. 2024

- GPA: 3.77/4.0
- Dean's List, Finley Scholarship, App Development Club, SASE, APASU, KSA

Tualatin High School | Honors Degree

Graduated in July. 2020

- GPA: 3.56/4.0
- Presidential Award, Honors Band, Mu Alpha Theta

CLUBS

Society of Asian Scientists and Engineers | clubs.oregonstate.edu/sase
